

## **KEEP YOUR ENERGY DOLLARS LOCAL with HAMPSHIRE POWER**

Hampshire Power is the only non-profit, governmental, Massachusetts-based electricity supplier. Hampshire Power specializes in real-time, fixed-rate and custom products to universities, schools, municipalities, non-profits and businesses across Massachusetts. An example of custom products is using local solar to “green up” a customer’s electricity.

Hampshire Power is eager to serve MHEC members with electricity products and services. Let us help you keep your energy dollars in your local economy.
