### The Fritz Rolle Legacy

In 1997, Fritz Rolle put together the first NJAA Golf Outing to benefit Give Kids The World. The golf outing became an annual event that he co-chaired for sixteen years. To date, over \$80,000 has been raised for Give Kids The World through the NJAA Golf Outing because of Fritz's passion for helping children and their families so they could experience joyful moments and make happy memories together.

To honor Fritz's memory, as well as his kindness and generosity, the NJAA has renamed their annual golf outing to the Fritz Rolle Legacy Golf Outing.

Fritz will always be remembered as a loving family man, a great friend and respected colleague. He was a successful businessman with a life-long career in the amusement industry. Those who knew Fritz well associate him with New Jersey boardwalks Seaside Heights, Wildwood, and most prominently, Jenkinson's Boardwalk in Point Pleasant Beach, N.J., where he was a partner.

Fritz was a member of the New Jersey Amusement Association (NJAA) for 30 years. During that time he served on the board of directors in numerous positions, and ultimately served as NJAA president from 1992-1993. Most recently, Fritz was named the 2012 honoree for the Amusement Association.

### The most magical sound in the world is that of a child's laughter.

That is what fills the air at Give Kids The World Village—a wish-fulfilling, fanciful, carefree retreat for children with life-threatening illnesses and their very deserving families.

Give Kids The World Village is a 70-acre, nonprofit "storybook" resort located near Central Florida's most beloved attractions. Children and their families are treated to weeklong, cost-free fantasy vacations, complete with accommodations in the Village's whimsical villas, transportation, donated attraction tickets, meals, and much more.

At the Village, these precious children learn that dreams really do come true, as they and their families are immersed in joy, hope, and non-stop fun for a few unforgettably happy days—a most welcome escape from the weight of their challenging circumstances. Since 1986, Give Kids The World has hosted more than 120,000 deserving families from all 50 states and more than 70 countries.

This extraordinary, life-changing experience is Give Kids The World's gift, made possible only through the generosity of dedicated corporations and countless individuals. For more information, visit [givekidstheworld.org](http://givekidstheworld.org).
