

Facilitated Discussion: Families in the Bible

In keeping with the October theme of *Family*, our resident biblical scholar, St. Michael's College professor, and First UU member Jeff Trumbower will lead a session on the different kinds of families, and ideologies about family, that are found in the Hebrew and Christian scriptures. Polygamy, monogamy, divorce, widowhood, child-rearing, kinship, same-sex relations – all of this and more will be fair game in this free-wheeling discussion.

Sunday evening **Oct. 26, 7:00-8:30pm** in the parlors.
