

The Youth Ministry Advisory Team (YMAT)

will be hosting an Ice Cream mixer on **Thursday September 25 from 6:30-8 pm** to start this year's youth group activities. This is a great chance to eat ice cream, talk with Youth advisors and learn about changes in youth programming for the coming year. We will also be introducing a draft of the new Youth Mission statement and soliciting comments. Finally, we will solidify Youth Group meeting times, hopefully to accommodate all those interested in attending. Yum, Ice Cream, Bring a Friend!
