Pennsylvania's PTSD Project presents: Post-Traumatic Stress Disorder Residential Treatment Curriculum

The Residential Treatment Curriculum Certification Training will be held at the Abraxas Academy 1000 Academy Drive, Morgantown, PA 19543.

Pre-Requisites:

- 2 years of adolescent group experience
- Bachelor's Degree (Masters preferred but not required)
- Agency must have a consulting relationship with a psychiatrist/psychologist.
- Agency must provide regular clinical supervision for facilitators and maintain integrity to the curriculum model.

The cost to register for the week long certification training is \$675.00. Registration must be received by March 31st, 2014.

- **An early registration and payment price of \$625.00 will be offered until March 17th, 2013.**
- **Agencies sending three staff will be offered a fourth seat at no cost. This offer can be combined with the early registration discount.**

Contact Kristine Demnovich, PTSD Program Coordinator,
for more details about the curriculum.
