

# You're Invited: Come join us at the Glen Mills Schools for Juvenile Probation Officer Training and our 28<sup>th</sup> Annual Career Day

**Overview:** The Glen Mills Schools is hosting a two day event on April 23 - 24, 2014; On Wednesday, April 23, 2014 Glen Mills will be offering free training for Juvenile Probation Officers and other Juvenile Justice Professionals. This training is one of our group dynamic training designs that utilize an experiential model with lecture and group participation. The non-traditional training can be used to increase your interdepartmental cooperation, improve team performance and facilitate overall organizational development. The genius of the design lies in its' simplicity. The principles are universal and applicable to many different types of organizations and at all levels within the organization. No prior experience or background knowledge in the subject matter is required. After the morning session campus tours will be available to complete the training.
