

THANK YOU!

The Winterfest 2013 Team wants to thank you **all** for your support! Thanks to all volunteers for helping to set up everything on Saturday morning. Thanks for schlepping in tables and rolling in the cakes! Ralf Rotter brought his whole family and they did an awesome job with our Christmas tree. Ariane Sunder and Meike Baschta did a huge job with the decorations. Silke Hofmann did the face painting for free, Beate Paffen and Manu Hipkins brought us hot coco. Tanja Ahnesorg, Dominic Liechti and Heike Schmalstieg helped spontaneously to clean everything up. Birgit Kiesling and Lisa Bock were everywhere and Lisa came through with the sausages.

Erich Sonnberger and Christine Jojarth rocked the Santa Claus business. The Graf family was selling popcorn and raffle tickets (Peter we count on your services for years to come). Janice Bishop and Lucas Gruendler delighted us with their music and our children's performances were simply amazing - thanks to the coaching teachers! The whole GAIS Community helped out and made the Winterfest 2013 an unforgettable event!

Thank you to all of you!

I wish you and your family a wonderful Holiday Break!
