Sponsorships help support our mission

For 30 years, Leadership La Porte County has been training, educating, and encouraging local citizens to become more effective and active community members. Revenue sources such as tuition from our adult leadership class, grants and donations are not enough to provide the necessary financial support we need to carry out our mission.

Supporting us with a sponsorship gets your company name in front of our alumni and current class participants, and helps us fulfill our mission to inspire, develop, cultivate and connect existing and emerging leaders to serve La Porte County. Please read on and consider a sponsorship at the level that best suits you.

Thank you for your support!

Executive Director
