The Hunger Walk is an opportunity to make a difference in our community by raising funds to provide food for those in need for **Food Bank Coalition of SLO County**. Your participation and contribution is one of the best ways to help and support your hungry neighbors. This is a family-fun event, come enjoy the music and refreshments and meet walkers from schools, churches, clubs, civic organizations, and businesses from around San Luis Obispo County.

_ ABOUT HUNGER ___

- Over **44,000** residents of San Luis Obispo County go hungry on a regular basis, meaning that **1 in 6** are food insecure, often not knowing how they will get their next meal.
- Almost **40**% of our hungry neighbors are children, and a large number are seniors who live on low fixed incomes. Many are working adults who do not earn enough to make ends meet.
- Last year, 6 million pounds of food was collected and distributed.
- The Food Bank can provide \$10 worth of food for every \$1 donated.
- 100% of the funds raised will directly help our hungry neighbors in San Luis Obispo County.
