

My Pledge

OMG: 50 Years Is Long Enough!

Thank you for your pledge of support!

Thank you for choosing to support this long envisioned and absolutely necessary renovation! Your financial contribution to this project (make checks payable to CSLGLV — OMG project) can be a one-time event or parsed out over 12 months...or any other way that works for you.

We are pre-funding a portion of the sanctuary renovation piece of the OMG project from our reserves (savings) but are committed to paying it back by the end of 2015. Your pledged donations will help us accomplish this goal.

Please note that your gift(s) to the renovation should be over and above your regular contributions to the operating fund of our Center.

A convenient way to see and feel the progress we're making toward our campaign goal is a "cost per chair" scale. The entire project (chairs, flooring, and lights in the sanctuary, flooring in the lobby, new tables and chairs in the Great Room, and some new appliances in the kitchen) can be paid for if each new chair is "sponsored" for \$300. You can sponsor a chair, buy a whole row (or more!), or help "build a chair" with any pledge under \$300. We are grateful for any amount you can give to the renovation.

Watch the Progress Board in the lobby of the Center. Your pledge of support will help fill in one or more chairs, reaching our campaign goal of \$85,500 easily and joyfully!

Thank you in advance for your prayerful and conscious support of this project.

This pledge, effective now through September, 2015 is:

an Individual Pledge a Pledge with another person

Special note: I understand this pledge of support to be over and above my regular financial support of CSLGLV. Please do not reduce one to supplement the other!

Cost of project: \$300 per chair (this covers all aspects of the renovation, not just the chairs). 285 chairs in our Sanctuary means the project's goal is \$85,500. We are counting on YOU to help us reach our goal!

A chair costs \$300. A row is \$5,700. Or, you can help "build" a chair by any contribution at all! Choose to buy a chair, an entire row, or help us build a chair with a contribution in any amount.
