### **Why We Make a Difference**

We are committed to helping girls in our community become smarter, more confident, secure and more equipped for the future by providing experiences that help them navigate gender, economic, and social barriers. Our programs change girls' lives.

- **Girls Inc. Media Literacy®** - Girls increase their awareness of the scope and power of the media and the effects of media messages on girls and women.
- **Girls Inc. Economic Literacy®** - Girls learn about money and the economy, including how to manage, invest, and save money and how to help others through philanthropy.
- **Girls Inc. Project BOLD®** - Girls learn to lead safer lives by developing skills and strategies for self-defense, including physical techniques.
