

April 9, 2014

Hello Sisters and Brothers of the Ecumenical Catholic Communion,

The Presiding Bishop Nominating Committee (PBNC) is pleased to provide you a profile of each of the candidates for the Presiding Bishop. We hope this provides you an opportunity to get to know each of the candidates better as we approach our 2014 Synod.

As previously shared with you, the PBNC has advanced two nominees: Fr. Frank Krebs and Rev. Kae Madden. Through the Floor Nomination process, Bishop Steve Roszczewski has become the third candidate for Presiding Bishop.

Attached for each candidate is a resume, a letter of intent, letters of recommendation and the candidate's answers to the written questionnaire developed by the PBNC based upon the survey results. It is our hope that this information will assist you, your community and your designated representatives in the discernment process in advance of the Synod election.

It is our intention to work with the Leadership Council to arrange for opportunities at the Synod for all attending delegates to get to know the candidates on a more personal level prior to the voting.

Please feel free to contact us with any questions.

Blessings and Peace,

Kedda Keough
