Adopt-A-Team 5.2 Fundraising Program Q&A

What types of shooting sports groups are eligible for the Adopt-A-Team 5.2 Fundraising Program?

The Adopt-A-Team Fundraising 5.2 Program is available to youth shooting teams (high school and collegiate) or FFA Shooting Sports Programs. Some Youth Shooting Clubs may also qualify. *Please call John Linquist for more details.*

What is the MidwayUSA Foundation Team Endowment Account

The MidwayUSA Foundation Team Endowment Account is an endowment that provides financial support to high school and collegiate shooting sports programs by providing grants based on the balance of individual program accounts.

How does our team gain access to our Team Endowment Account and how much will we get each year?

Grants from the trust are available to any shooting sports program that has a balance in their Fund. You may request a grant for a maximum of 5% of the fund balance. The goal is to provide permanent financial support for the shooting program. Visit www.midwayusafoundation.org for more information.

What happens to the Team Endowment Account if our local shooting team or club falls apart?

The funds are owned by the MidwayUSA Foundation and are non-refundable. If a shooting team ceases to exist, the fund will remain in their name for a period of three years in case it is restarted. After that time the fund will need to be moved to another team of your choice or it will be redistributed to an adjacent scholastic shooting sports program.

Can multiple teams and/or shooting clubs partner in a joint fundraising effort?

Yes! If meeting the fundraising goal of the respective fundraising package is a challenge for one shooting program, we recommend you partner with another local shooting program and share the benefits.

When does the fundraising effort have to be completed?

Participating chapters and shooting sports programs commit to submitting the minimum goal \$500 for establishing their Team Endowment Account by November 30th, 2014 for a 3:1 match. If your group would like to continue to fundraise after meeting the goal, you can continue to sell tickets for a longer period of time.

Who is responsible for permits and gambling regulations?

Participating chapters & ticket sellers (clubs or teams) are responsible to abide by & comply with all local or state gambling laws and regulations.
