Focus Areas: Trident United Way focuses on the building blocks of a good life - education, income and health - to bring together the passion and commitment of corporate, government and non-profit partners to strengthen the community. They are working to achieve three bold community goals- an 88% graduation rate, 30% more people leaving poverty and 25% more people living healthy by 2020.

Community Partnerships/ Initiatives: Trident United Way drives community partnerships by serving as catalyst, and in some cases the backbone organization, of collective impact arrangements addressing key issues. These arrangements bring together numerous service providers using common agendas and shared measurement to achieve community-wide impact.

UW Facts:

- Trident United Way is one of the fastest-growing United Ways in the nation because it has a proven track record of improving people's lives.
- Trident United Way's collective impact model in the schools, called Links to Success, has helped 2500 children improve their odds of graduating high school. Ninety-one percent of the children receiving services have improved their grades; 98% have reduced their suspensions.
- Trident United Way's collective impact model in financial stability, in partnership with Palmetto Goodwill and Family Services, Inc.; has recently opened two area Prosperity Centers. Of the 194 entering GED classes, 111 have graduated and are moving on to job and income advancement.
- Trident United Way created an historic collaboration among health care providers to streamline the delivery of care to low-income uninsured people in the Lowcountry by attracting the support of a \$750,000 Duke Endowment grant.

Facebook:

facebook.com/unitedwaygc

Twitter: @UWGreenvilleSC

Phone: 864.467.3333

Fax: 864.467.3535

Focus Areas: United Way of Greenville County brings together people, businesses and organizations from throughout the community to work together to create opportunities for a better life for all of us. We are working not only to meet the immediate health and crisis needs of struggling individuals and families, but also to build a cycle of success where all children start school ready to succeed, all youth graduate and achieve post-high school success, and all individuals and families attain financial stability. Our goal is a community where everyone has the aspirations, resources and opportunities to reach their full potential.

Community Partnerships/ Initiatives: In the area of School Readiness, United Way of Greenville County is a founding partner of the Institute for Child Success (ICS). The Institute is a research and policy organization that fosters public and private partnerships to align and improve resources for the success of young children in South Carolina. In the area of High School Graduation, UWGC is the lead partner in an afterschool strategic initiative called Building Opportunities in Out of School Time (BOOST). BOOST's mission is to increase quality and access to all out of school time programs for all school age youth in Greenville County. In the area of Financial Stability, United Way serves as the convener and fiscal agent for the Greenville Region Workforce Collaborative (GRWC). Through coordinated public and private partnerships, GRWC seeks to strengthen the financial stability of our region by investing in Greenville County's low-income, under-skilled workforce to address skill shortages in industries critical to South Carolina's economic health. GRWC is a recipient of the National Fund for Workforce Solutions grant, which is administered through the Social Innovation Fund.

UW Facts:

- United Way of Greenville County currently funds 106 programs at 69 agencies/organizations.
- 2012 Campaign Results: over \$16 million raised, nearly 200 companies gave corporate gifts, 38,000 individuals contributed and 624 workplaces participated in the campaign.
- United Way of Greenville County employs 54 staff members in a combination of full-time, part-time and grant-funded roles who provide leadership in fund raising, community planning, outreach programs, financial administration, communications, information & referral and volunteer engagement.
- United Way of Greenville County is one of the largest 3 local United Ways in South Carolina.
- UWGC has an incentive program for giving more than \$250. Donors will receive special Stax Restaurants, Stathakis Family of Restaurants, Greenville Rec, Greenville Zoo and Roper Mountain Science Center coupons.
- United Way's Volunteer Income Tax Assistance (VITA) program completed more than 7,700 returns in 2013 for individuals and families with household incomes of \$51,000 or less, generating \$8.1 million back into the community.
