

United Way Association of South Carolina

Public Policy Agenda

The United Way Association of South Carolina strives to advance the common good in South Carolina through advocacy in the priority areas of Education, Financial Stability, and Health. Strategic focus on these priorities will build and support thriving communities, families, and individuals throughout the state.

Education – Support and nurture our children by striving to:

- Increase the high school graduation rate
- Improve the school readiness factors

Financial Stability – Assist communities, families, and individuals by working to:

- Promote Community, Economic, and Workforce Development
- Support Financial Independence

Health – Improve the health of our communities by driving to:

- Increase access to healthcare
- Promote healthy lifestyles
