

MAKING PATHS STRAIGHT— REMOVING BARRIERS

Is your church facing challenges that make it hard to keep doing things the old way? Maybe you have Sunday school members who have autism, wounded veterans returning home or people with Alzheimer's in your congregation.

We are here to help you navigate the joyful path of providing inclusive and accessible ministry as you grow your church by reaching out to people with disabilities and their families.

A voice cries out: "In the wilderness prepare the way of the Lord, make straight in the desert a highway for our God. Every valley shall be lifted up, and every mountain and hill be made low; the uneven ground shall become level, and the rough places a plain." (Isaiah 40:3-4)
