

## **Girl Rising Film Screening**

Friday, January 31st

7pm @ Northbrook United Methodist Church

Girl Rising is a feature film and global action campaign for girls' education. Around the world, millions of girls face barriers to education that boys do not. And yet, when you educate a girl, you can break cycles of poverty in just one generation.

The film presents the remarkable stories of nine girls around the world, told by celebrated writers and voiced by renowned actors.

A suggested donation of \$6 per person for attending the screening would be much appreciated and will go right to the Girl Rising fund, thanks to support from community sponsors which has already covered the cost of the screening.
