Presents

Skyrocketing Texas Medical Board Actions **PROTECT YOURSELF!**

Ever since legislation to support enforcement action was passed in 2005, the number of complaints received every year by TMB has increased tremendously. We invite you to join us for an informative seminar, where you can find out how to better protect yourself from common errors that lead to complaints, violation potential, and risk factors.

Featuring special guest

JON PORTER

Partner - McDonald, Mackay & Weitz, LLP
(Austin, TX)

Former director of investigations for Texas
Medical Board.

Expert on medical regulations and
medical-ethical issues.
