## More Secure Future for Milford Jobseeker

Veteran and Workforce Central member Nicholas of Milford, MA had been unemployed since November, 2012. Having been out of work for so long was taking its toll until he visited Workforce Central Career Center in Milford, MA. There, Nicholas attended the Career Center Seminar (CCS) and learned about the services available to veterans who are seeking work. Soon after, he met one-on-one with the Veteran Services Representative at the Milford Career Center who suggested he register for the Resume and Job Search workshops.

Nicholas said, “The Resume workshop at the center really made a difference. I needed to update my resume, but I didn’t know where to start.”

With his new skills and resume in hand, Nicholas continued his job search and was soon hired as the Security Recruiter at Northeast Security Company in Newton for \$20.00 an hour.
