

Employer Success Story

A Communication Breakthrough

Worcester-based Charter Communications attended the UnCommon Job Fair on September 12th and, over the next two weeks, hired five applicants from the event.

The company was exposed to so many high quality candidates, they have come to the Career Center in Worcester for two subsequent recruiting sessions.

Charter has been able to fill many of its local Customer Service Call Center positions by partnering with Workforce Central Career Center on an ongoing basis.

The Career Center offers these recruiting sessions for businesses at no charge.

For more information about how Workforce Central Career Center can help your business, please contact your local Business Service Representative.
