Job Fairs in Abundance in Central MA

While the excitement has finally settled down from the big event on the Worcester Common September 12th, Workforce Central Career Center continues to lead the state in job fair activity.

Fifteen employers attended a lively “mini-job fair” on Halloween at Workforce Central in Worcester.

Business events for November include our 16th Annual Veterans’ Appreciation Job Fair. The event will be hosted at the Webster/Auburn Elks Lodge on Friday, November 14th from 10AM to 2PM and 37 of the area’s best businesses are currently registered. While the event is designed to honor veterans, anyone is welcome to attend.

We are also beginning to register businesses for our 5th Annual Workforce Central/Worcester Sharks Job Fair at the DCU Center in Worcester on March 20th, 2015. Last year’s event was enjoyed by 87 Businesses and over 2,000 qualified job seekers.
