Safety Grant program

On October 11, 2013, Workforce Central Worcester hosted Deven Awalt, Compliance Officer for the Department of Industrial Accidents (DIA) as part of a comprehensive informational session for area businesses. Deven explained the DIA Safety Grant program in detail. The DIA Safety Grant Program entitled, "Workplace Safety Training and Education Grant Program," is issued under the provisions of the M.G.L. c. 23E, sec. 3, and administered by the Department of Industrial Accidents Office of Safety. The goal of the program is to promote safe and healthy conditions in the workplace through training, education, and other preventative programs for employees and employers covered by the Massachusetts Workers' Compensation Law, (M.G.L. Ch. 152). The prevention of occupational injury and illness is in everyone's best interest.
