Holiday Gift Collection for Special Subject, After School and Administrative Staff

The Parent Council would once like to once again offer as a service to the community our Holiday Collection . Your monetary gifts will form a collective expression of appreciation and gratitude to our wonderful special subject teacher, after school and administrative staff.

We thank all of our talented special subject teachers and their assistants who instruct our children in algebra, art, French, Spanish, eurythmy, handwork, gardening, movement and games, music, remedial and academic skills , and sculptural arts.

Many of our families also benefit from our warm and caring teachers who guide our children after school. We thank our after- and pre-care staff.

We also thank our dedicated and helpful administrative staff.

If you would like to contribute to these Gifts, please:
