

# Cyber Village Academy

## ECO CLUB Permission Slip

Eco Club will consist of an EcoCats' Core Group attending monthly meetings with a 20 student capacity this year, so sign up now to be included! This core group will have fun learning about the environment within and around them, discovering ways to live eco-friendly and environmentally healthy, and expand their own eco interests. They'll make various Eco Crafts during the meetings, help design an EcoCats Online Newsletter for CVA families, and advocate green living awareness by helping "green" our school, including planning Eco fundraisers, events and activities for CVA.

**The attached form must be completed and brought to ECO CLUB.**

**VERBAL APPROVAL WILL NOT BE ACCEPTED.**

---

**Please detach and return with authorization**

---
