

The Worcester Institute on Loss and Trauma 15th Annual Conference

When Tragedy Happens:

Understanding Acute Trauma and Psychological First Aid

September 17, 2014

youinc.

Louise Graham, Ph.D.

Professor at Graduate Department of Counselor Education
Bridgewater State University

Workshop Presenter:
“Working with Military and Their Families”

Dr. Graham holds clinical hospital privileges at the New England Healthcare Veterans Administration Brockton campus and she has had a Harvard Clinical appointment through the Harvard Medical School since 1990, where she supervises doctoral interns in medical psychology and in the anxiety disorders.

The courses she teaches are the following: Applied Counseling, Advanced Applied Counseling, Psychopharmacology, and Psychopathology. She is a member of the American Counseling Association and has published in *Counseling Today*. She is also presenting in October in Ohio at the Association for Counselor Education and Supervision on Adventure Counseling.

She has been appointed to the ACA task force on Military Families. She and students have presented at the MA School Counselors Annual Conference for the last five years. Dr. Graham is actively involved in mental health disaster response. She is on the MA Mental Health Disaster Response Team, on a Disaster Assistance Team for the Red Cross and a member of the Terrorism and Disaster Center MA Coalition for Child and Family Disaster Research at Boston College.
