

Custom Credit Card Programs for Preferred CAWA Members

As your automotive parts association, it is the duty of CAWA to keep our preferred members updated on valuable programs being offered to businesses. In keeping with our goals, California/Nevada/Arizona Automotive Wholesalers' Association has partnered with Qualified Processing Services to provide custom, competitive credit card processing rates to all members of CAWA.

QPS has dedicated itself to building a competitive program for merchant services. It is our goal to blend optimum savings and premium support into a comprehensive plan designed to provide a no hassle, one stop shop for credit card processing. We offer economical equipment pricing, custom rate set ups built around your customer base, check processing, and gift card programs. As a valued member of CAWA, we conduct free, no obligation fee analyses, and provide in depth explanations of how your existing program works, and ways that we can improve upon it.

To show our gratitude to CAWA for partnering with us, we have launched a special offer to all members of CAWA who sign a new contract with QPS for merchant services:

If you sign up, QPS will waive all credit card processing fees (UP TO \$1000.00) for the first month!

We would appreciate an opportunity to discuss our programs with you. We are excited to work with the members of CAWA, and look forward to speaking with you in the near future.
