

ARE YOU USING
SOMETHING THAT IS

FLAMMABLE

CORROSIVE

TOXIC?

STOP!

DOES IT CONTAIN HEAVY METALS
LIKE COPPER, LEAD, CADMIUM?

**PROTECT YOURSELF, YOUR DRINKING
WATER AND YOUR ENVIRONMENT!**

*Look for a less toxic alternative.
If there are none available, then filter
and reuse, and then dispose of waste
at a household hazardous waste
collection or HHW facility.*

**FIND OUT MORE @
CAPECODEEXTENSION.ORG/ARTIST**

THIS INITIATIVE IS SPONSORED BY A GRANT AWARDED BY
TOXICS USE REDUCTION INSTITUTE OF UMASS LOWELL
