# 10 Reasons

to participate in the 2015 American Trails International Trails Symposium

**01** Paddle, hike, bike, and ride—Portland offers access to the Cascades, the Columbia Gorge, and the Pacific Ocean.

**02** Forest Park: 5,157 acres and over 80 miles of trail within city limits – the largest urban forest in the country.

**03** Visitors ranked Portland No. 1 in the nation for public transportation and pedestrian-friendliness.

**04** Sustainable transportation! Receive a FREE pass to ride the Max Light Rail and Street Car system during your stay.

**05** Over 80 cutting-edge trail presentations, field trips, and workshops led by America's trail experts.

**06** Visit the Exhibit Hall, with over 100 vendor booths offering products and services for all types of trails.

**07** "Play in the dirt" in the new Outdoor Trade Show presented by the Professional Trailbuilders Association!

**08** "Talk Trails" and network with trail enthusiasts from around the country and the world!

**09** You'll never go hungry in Portland with their abundance of unique food carts spread throughout the city.

**10** No sales tax! In Portland, you'll find everything you expect from big-city shopping, except the sales tax.

## Conference Overview

ONE OF THE LARGEST TRAIL GATHERINGS OF ALL TRAIL INTERESTS WHO BELIEVE THEIR COMBINED VOICES ARE THE BEST WAY TO STRENGTHEN TRAILS FOR EVERYONE

American Trails sponsors the International Trails Symposium every two years to bring together trail and greenway advocates, managers, planners, and users, as well as tourism, and business interests.

The Symposium is the premier opportunity for the worldwide trails community to come together to communicate and experience an inspirational and educational conference. This is one of the largest trail gatherings of all trail interests who believe their combined voices are the best way to strengthen trails for everyone.

The Symposium includes

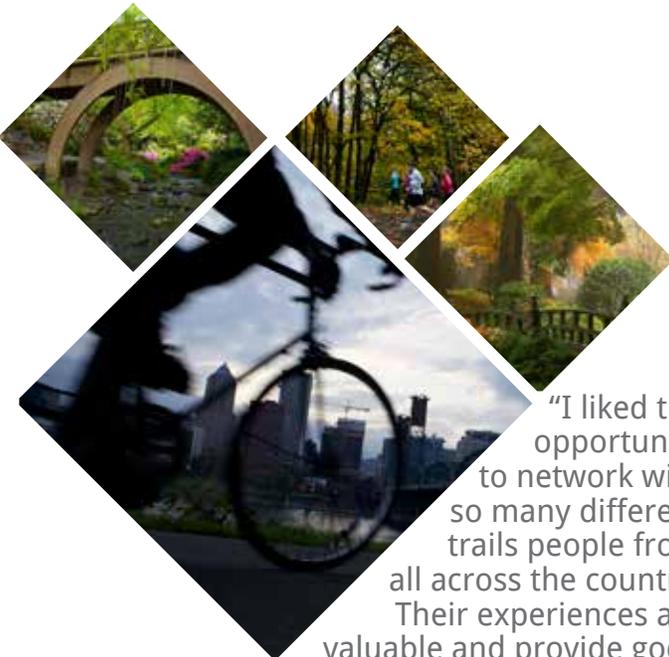

a vast array of educational sessions covering the broad range of trail issues, internationally prominent speakers, a state-of-the-art, trail-related exhibit hall, informative and interactive mobile workshops, and much more.

### **PTBA Sustainable Trails Workshops and Trade Show**

A new addition to the Symposium, the Professional TrailBuilders Association will offer a series of workshops and an Outdoor Trade Show adjacent to the Symposium -- see the exhibitor contract for details on even more exposure for your business. Learn more on page 6.

**Bring your kayak, bike, or running shoes!**  
Whatever your outdoor adventure may be, the Rose City has your fix.

"I liked the opportunity to network with so many different trails people from all across the country. Their experiences are valuable and provide good discussion topics."  
*Cheryl Blanchard, BLM*

# The Premier Trails Experience

## Leading Experts

OVER 80 CUTTING-EDGE TRAIL PRESENTATIONS, FIELD TRIPS, AND WORKSHOPS AWAIT

The Symposium helps the attendees:

- Design and build sustainable trails
- Protect access to trails and recreation
- Educate community and State leaders on the myriad benefits of trails
- Bring recognition to your trails
- Sell the economic impact of trails on a community
- Assess trails for accessibility
- Showcase private sector products and services related to trails and to specialty construction practices
- Create sustainable partnerships
- Develop more support for volunteers
- Obtain more funding for trails
- Build strong local and statewide organizations for trails
- Preserve more open space amidst urban development
- Maintain outdoor resources, their beauty, and wildlife
- Promote trail use as a means for mental, physical, and spiritual well-being

## How many people attend the Symposium and who generally attends?

Attendees consist of trail planners, builders, volunteers, engineers, managers, administrators, media, trail users and advocates, company/industry representatives, and anyone interested in trails. Our Symposiums draw anywhere from 700-1,000 attendees and attracts over 150 speakers, 100+ booths in the exhibit hall, and more than 150 volunteers. In general, the numbers consist of approximately 65% agency representatives and 35% organization advocates or trail users.

In addition, there is a free half day for the public to visit the exhibit hall (our Building Public Awareness for Trails Event) as the kick-off to the Symposium and includes local vendor tables and entertainment.

The 2013 Symposium attendees came from the District of Columbia and every State, with the exception of Nebraska. And, Puerto Rico was represented.

Additional countries represented included:

- Australia
- Canada
- China
- Columbia
- France
- Japan
- New Zealand
- South Africa
- South Korea
- United Kingdom

## An International Experience

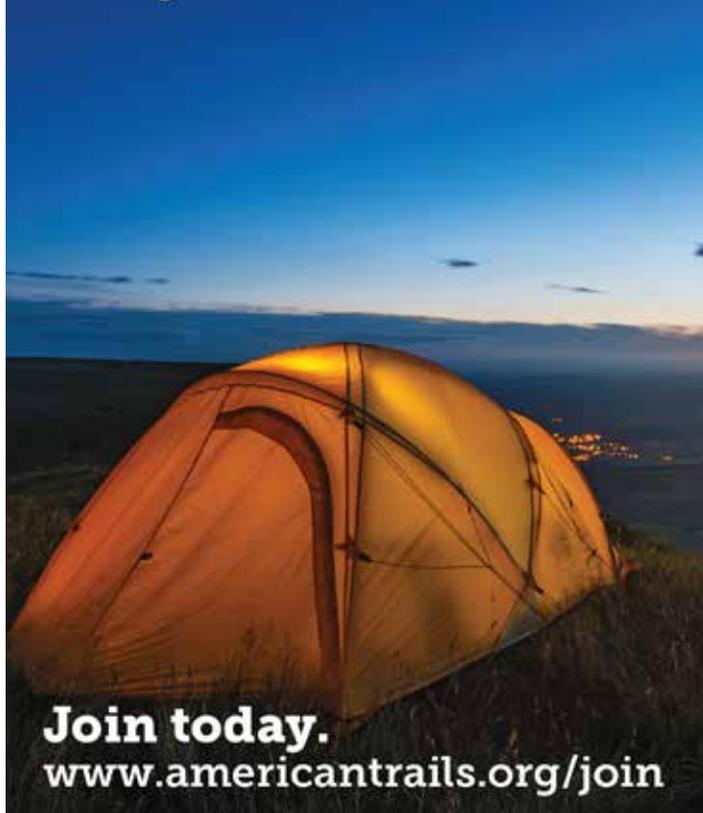

The first American Trails National Trails Symposium was held in 1971, and it has continued every two years ever since – celebrating a 22nd Anniversary in 2015. Due to American Trails widening of its network to the international trails community, the name and focus has evolved from a National Trails Symposium to an International Trails Symposium.

We were thrilled to host our first International Trails Symposium in Arizona in 2013. We want to reach across the oceans to harness our combined wisdom to support and encourage the

collective dedication to trail initiatives around the world. The program will feature international sessions, which will provide alternative ways of approaching challenges in the trails world and will provide excellent networking opportunities for our attendees. We are stronger and more effective together, and the Symposium is a perfect way for the international trails community to share success stories and lessons learned.

Over ten different countries were represented at our 2013 Symposium. We hope to double that number for 2015.

Thank a trail  
for bringing  
you here.

Join today.

# 25 Years of Working Together

 American Trails - A long tradition of helping trails

For over 25 years, American Trails has been a collective voice for a diverse coalition of enthusiasts, professionals, advocates, land managers, conservationists, and friends of the outdoors and livable cities.

Our website, [www.AmericanTrails.org](http://www.AmericanTrails.org), is one of the world's most comprehensive online sources for planning, building, designing, funding, managing, enhancing, and supporting trails, greenways, and blueways.

We bring you news from the halls of Congress, new studies and resources, interesting articles, events, training opportunities, and the latest in trail products and services. American Trails will keep you informed on both trail know-how and issues critical to the future of trails. With the support of an extensive network, we work to increase funding for trails, to foster sustainable trail development, to keep more trails open, and to improve the health of our communities and the well-being of Americans of all ages and abilities, including our children.

## Mission of American Trails

American Trails strives to enrich the quality of life for all people and the sustainable development of communities by advancing and promoting the development, preservation, and enjoyment of diverse, high quality trails and greenways.

## Vision Statement

We envision a network of trails *within 15 minutes of every home, school, and workplace.*

# PTBA Sustainable Trails Workshop Series, Legacy Trail, and Outdoor Trade Show

The **Professional TrailBuilders Association (PTBA)** and the **American Trails International Trails Symposium (AT ITS)** are proud to announce an exciting new partnership program - the Sustainable Trails Workshop Series and "Legacy Trail." Through this program, we will offer a series of hands-on workshops focusing on the important skills and techniques involved in the sustainable design, planning, construction, and maintenance of trails for all types of users in all types of environments. This series of workshops will result in a local segment of sustainably and professionally built trail being left behind as a legacy of the AT ITS and the PTBA Sustainable Trails Workshop.

Possible workshops may include:

- Trail Survey, Design, and Contracting
- Turn Construction
- Trail Dozer Training and Certification
- Mini-excavator Training
- Bridge/boardwalk Construction
- Accessible Trail Design, Layout, and Construction
- Rigging for Trail Work
- Stonework for Trails
- Chainsaw Safety and Certification
- Chainsaw Instructor Certification

## PTBA Outdoor Demonstration Area and Trade Show

The PTBA Outdoor Demonstration Area and Trade Show will run on Sunday, May 17 from 8am - 6pm, during the American Trails International Trails Symposium. This is the only trade show in the nation dedicated to trailbuilders and trailbuilding tools, technology, and techniques. The outdoor demonstration area will have dirt, terrain, rocks, logs, and brush for equipment demonstrations. It is the single best opportunity for attendees to try various machines and equipment in a variety of conditions and compare and contrast them with one another. What better way for your company to market your cutting edge trailbuilding tools, technologies, and techniques!

To sign up as a vendor to display your equipment in the Outdoor Trade Show, be sure and mark this on the exhibitor form (page 11). You must be an exhibitor in order to participate in the Outdoor Trade Show and there is a small additional fee.

# Ways to Support

the 2015 American Trails  
International Trails Symposium

- 01 Provide a scholarship for an Emerging Leader or an international presenter to attend the Symposium.
- 02 Allow us to “borrow” your products to help us create an exceptional indoor trail system in the exhibit hall.
- 03 Donate items or services to our auction – no item is too big or small!
- 04 Sponsor a Keynote Luncheon or the National and International Trails Awards Banquet.
- 05 You’d make us real happy if you sponsored one of our Happy Trails Hours!
- 06 Sponsor our offsite “Trails Rock” Party that includes awesome food, a live band, and our live auction.
- 07 Volunteer onsite and receive a TRAIL BOSS shirt as a bonus, and an opportunity to attend sessions.
- 08 Put your organization’s name “front and center” on 700+ attendees by sponsoring our lanyards.
- 09 Sponsor the attendee bags to hold all their goodies, including your organization’s brochures/samples!
- 10 Start your morning right by sponsoring an early morning “Trail Talk” (coffee and pastries with an expert).

## Sponsorship Opportunities

### Be part of the experience

Showcase your cause to the world trails community

Join our many sponsors and exhibitors in networking with the nationwide trails community and maximize your visibility and message. This is the premier opportunity to display your state-of-the-art products and services, provide demonstrations, show off your projects and programs, and talk with the decision makers in your target market. We offer a nationally known exhibition facility, complete with an indoor trails and greenways system, surrounded by trails meandering throughout and landscaping in abundance.

We have lower sponsorship

levels if you want to help support the Symposium but are not able to attend or have an exhibit booth, as well as higher sponsorship levels that provide more promotion and recognition for your business or organization. We offer custom benefit packages that will fit your organizational needs that include sponsoring an event(s) or Symposium item(s). See customized benefits on page 12.

Questions on exhibiting or sponsorships? Contact Candace Mitchell, Sponsor and Exhibitor Coordinator, at [candace@americantrails.org](mailto:candace@americantrails.org) or (530) 605-4395.

# Scholarships

## NEW SPONSORSHIP OPPORTUNITIES

### Emerging Leaders Scholarship – \$2,500:

The Hulet Hornbeck Emerging Leaders Scholarship Fund will provide training and mentoring opportunities at the American Trails International Trails Symposium to inspire young adults to choose a career path in the trails industry. The program named in memory of lifelong trail activist Hulet Hornbeck, will bring up to 20 talented young adults to the Symposium on scholarship. Hulet was a key player in organizing the first National Trails Symposium in 1971, and was a founding board member of the National Trails Council, predecessor to American Trails. He actively served on the Board of Directors for American Trails for over 16 years. The Emerging Leader Scholarship Program was named in honor of Hulet to inspire young adults to choose a career path so they, too, can leave a lasting legacy on the world – as Hulet did...

Thanks [2013 Emerging Leaders Program Committee] for all you have done for this program! I look forward to seeing it grow and succeed in the coming years!

– Jon Gellings, 2013 Emerging Leaders Scholarship Recipient

### International Scholarship - \$2,500:

This new scholarship program will provide partial funding for our international presenters at the American Trails International Trails Symposium. Scholarship funds will include their registration cost, as well as provide partial funding for their travel and accommodations. In formally changing to the International Trails Symposium (from National) at our 2013 Symposium, we were excited to have ten different countries represented— and we hope to double that for our next Symposium! Travel can be costly for our international attendees so providing scholarships to help out with some of these expenses will allow them to share their knowledge, innovations, and success stories from around the globe.
