CURE
childhood cancer association

CURE's Keeping Tabs on Cancer with Hailey

CURE Childhood Cancer Association is supporting one of our local patient's drive. She began to raise money for CURE. Hailey collects pop tabs and takes them to a local recycling center and then takes the money she has earned and gives it to CURE. If you would like to help Hailey and her efforts, please feel free to set up a collection site at your local school, scout group or perhaps even a local bar or restaurant.

You can contact our director of Programs, Kiersten Kunick, for more information by calling the office at 585-473-0180 or by emailing: kiersten.kunick@curekidscancer.com
