KOGA's 78th Annual Meeting

KOGA's 78th annual meeting will be held July 15-17 in Louisville, KY. The Member Services Committee has been working hard to bring valuable presentations and speakers that are relevant to our membership. We are anticipating another great meeting this year and hope that you will join us.

The 78th annual meeting will kick off on Tuesday, July 15th with the golf tournament, which will be held at Fuzzy Zoeller's Covered Bridge. Covered Bridge is a remarkable golf course and all of you golf enthusiasts need to make plans on participating, as I am sure it will be a great time. Also, planned for the night of July 15th, KOGA is organizing a 'Dine Around'. The 'Dine Around' provides attendees an opportunity to meet other colleagues over dinner allowing for a more casual and intimate environment to discuss topics affecting the industry. There will be four groups led by Mike Conley, Doug Hyden, Andrew McNeill and Rudy Vogt. If you are interested please contact the KOGA office.

On Wednesday and going through Thursday afternoon, the 78th annual meeting will have presentations on topics such as:

- "Update on the Berea" – David Harris, Kentucky Geological Survey
- "Open Hole Completion Systems" – Ryan Henderson, Peak Completions
- "New Albany Shale" – Brandon Nuttall, Kentucky Geological Survey
- "Mudlogging and Geosteering & its application to horizontal oil and gas drilling" – Susan Barbour, Rubicon Geological Services
- Environmental Compliance Update: What Kentucky operators need to know: Clean Water Act 404 Permitting Compliance and the NSPS Clean Air Act
- "Dealing with the Anti-Drill Anti-Frack Crowd – 7 Secrets to Success" – Greg Kozera, Nabors Completions

KOGA's Mission is aligning and coalescing industry stakeholders to influence public policy and shape attitudes which materially impact Kentucky's Oil & Gas industry. It achieves its mission through legislative advocacy, business networking and strategic communications.

Although the focal point for the meeting is educational, there is still an ample amount of time for fun! The Welcome Reception will be held on Wednesday, July 16th in the exhibit hall. This reception is a great opportunity to interact with a wide variety of service companies as well as socialize with other attendees. We will also be holding our Night Out Event on Wednesday evening. The event will be held at The Gillespie, which is located just around the corner from the hotel for more networking.

The 78th annual meeting will close out on Thursday after our keynote luncheon with speaker Dr. Carl Hurley. He will wrap up the meeting with some 'good clean fun,' and if you have not seen Carl Hurley before, you do not want to miss out.

For more information on registration, exhibiting and sponsorship KOGA's annual meeting visit [KOGA's 78th annual meeting convention page](#).

See you in July! ☺

Sincerely,

Astrud Masterson
Associate Director
