

Judges should be hard working, full time public servants who know and follow the law, who are fair and reasonable, who do not play political favorites, who apply common sense in timely rulings, and who always act wisely in the best interests of children. The families of Harris County deserve and need good judges!

PETITION ASKING FOR THE REMOVAL OR RESIGNATION OF JUDGE DENISE PRATT

I am an attorney licensed by the State of Texas who practices family law in Harris County, Texas.

I feel it is my duty to my profession, to my clients and to the integrity of our justice system to call on Judge Denise Pratt of the 311th District Court of Harris County, Texas to resign. If Judge Pratt will not resign, she should be removed from office through election or other legal means.
