

17th Annual "Christmas On The Corridor" Event

08/27/2013

Dear Friend of COTC,

The Reno Sparks Corridor Business Association and the Washoe County Sheriff's Office have been busy getting ready for this year's "Christmas on the Corridor" event. For many years we have devoted ourselves to making a difference in the lives of those in need in our community by providing thousands of children and senior citizens with coats, school supplies, hygiene items, food, toys, clothing and much more.

As we get ready to celebrate our 17th year, we ask that you consider supporting our cause. This year our campaign's goal is **\$10,000.00**, we hope we can count on you for a generous donation of \$100 or more. However, please note that any donation amount is always appreciated. You can also help by donating items for our 50/50 raffle to raise money to purchase gifts or donate any of the following new items:

- Coats, hats, and gloves for children
- Backpacks and school supplies
- Toys of all kinds for all ages
- Games and books for teens and tweens
- Gift cards
- Shampoo, soap, toothbrush and toothpaste
- Books on CD, puzzles, paint by number sets, slippers, lap blankets, and anything else that would be appreciated by seniors

We thank you for your time and consideration and we look forward to whatever support you can provide. If you are able to donate privately, please also check for matching funds through your employer. Many companies have matching programs which you may not be aware of.

Donated items may be dropped off at the Sheriff's Community Work Program Office located at 350 S. Center Street (directly across from the Downtown Reno Library) between 6:00 a.m. and 4:00 p.m. Monday through Friday or mailed to the Alternatives to Incarceration, PO Box 11130, Reno, NV 89520-0027. The deadline for donations is December 17th.

Additional questions can be directed to: Brooke Howard at 775-785-4244 or Gaye Canepa at 775-323-0220.

"There is no exercise better for the heart than reaching down and lifting people up." — John Holmes
