

The whole month of April!
*You pick an event that works
for you!*

**Raise money for Autism
during "Autism
Awareness Month"!**

*Help children & adults in the
Chicagoland area!*

Ever wonder how you can help? Do you have a great group of people who are looking for ways to make a difference? April is Autism Awareness Month and Giant Steps will be holding it's Super Event all month long. We are asking our community to host an event on Giant Step's behalf. It can be a bake sale, car wash, rummage sale, general donation day, etc - it's UP TO YOU! With a month of small events going on, a little adds up. This is open to families, civic groups, churches, youth groups, schools, clubs, and the list goes on!
