We are thrilled to announce that **Stan Brown** has joined the Stewart Title team as **Business Development Officer** for the Garfield County market. Stan brings over 30 years of experience in the real estate, banking and finance industry. Formerly the Vice President of Vectra Bank in Snowmass Village, Stan's 15 years of experience in his role there have provided him with a deep understanding of industry challenges and opportunities in the Valley. Stan has been an integral part of the community and real estate industry in the area since 1993. A graduate of the University of Denver School of Business, Stan and his wife Debra are happy to call Carbondale their home. They have 5 children and 12 grandchildren and enjoy the opportunities and lifestyle that the Valley and Colorado have to offer.

Stan is proud to represent Stewart Title in the Glenwood Springs, Basalt and Rifle communities and is excited to offer the strengths, stability and trustworthiness of a company celebrating 120 years in business serving the real estate community.

As part of a global company and one of the nation's largest underwriters, Stewart Title is able to call upon its experience locally and world-wide to service all aspects of the real estate industry.

Additionally, the tools and services available to you through Stewart Title are designed to support your business success. A few of those services are listed below:

- **Stewart Online:** An online transaction management solution for real estate agents and brokers, lenders, settlement service providers, and their customers.
- **Lender Express Quote/Orders Gateway:** Obtain reliable, electronic quotes downloaded or emailed in GFE Format, order title services with a click.
- **Orders Gateway: Order title services**
- **Asset Preservation:** A Qualified Intermediary and industry leader in facilitating 1031 Exchanges.
