Rabbi and Devorah Klar – Menorah.Net

Matthew Harrington, Sotheby’s Realty

& to the irrepressible Bennett Bramson for his many years
of community-building and support of this special occasion.

About the Menorah:

The 9-foot menorah installed in Lions Park-Basalt, was designed and built by Rabbi Baruch Klar of Menorah.Net in New Jersey. He constructed his first menorah 32 years ago and now distributes world-wide. This elegant structure is suitable for indoor and outdoor use, and includes an innovative PCB Board which lights a new candle every 24 hours. Thank you Rabbi Baruch and Devorah for helping to make this event possible.
