

STAFF SPOTLIGHT

We Improve Communication for Life

Name: Abbi

Position: Graduate Student Intern

What is your favorite thing about the Center?

Working with the children and seeing how excited they are to come to therapy. I also enjoy the partnership that is developed between the clinician and families about their children's communication needs.

What is your favorite restaurant? My favorite restaurant is Cracker Barrel. I often order breakfast at all times of the day. Not only do they have good food but also great shopping!

What is your favorite app? A couple of my favorite food-type iPad applications are Toca Tea Party and Toca Birthday Party.
