

STAFF SPOTLIGHT

Name: Jeanne

Position: Speech Language Pathologist

Years of Experience: 30 years

What is your favorite thing about your job (or the Center)?

I love being able to bounce ideas off of all of the amazing speech pathologists here. We all have our areas of expertise and share those ideas daily. Everyone here is so committed to providing the children and their families the best and most fun therapy sessions.

What is your favorite past time or hobby?:

My husband and I love to cook together. When I'm not cooking, just give me a good book (one with actual pages). And I'm happy!

One fun fact about yourself (Favorite color, favorite food, travel experience, family, song stuck in your head, favorite app, etc.):

I biked all around Ireland, even in 50 mph winds and, of course, rain!
