

## Ernie Wassmann

As a member of Unity Village Chapel for over 3 years, Ernie brings an executive and engineering background working with for profit corporations and non-profit organizations. He has volunteered to host and participate in a number of Chapel fundraiser events and is active in the Men of Unity. Other volunteer service includes work with several County committees and a local reading program for children.

He is dedicated to life-long learning and to acting “in accord with my abilities and understanding through growth in character and mental and physical training.”

Ernie feels that his business skills and experience will be an asset to Unity Village Chapel. “I feel it is time to give back and be relevant for my time as a member of Unity.”

Ernie and his wife, Nonda have 4 grown children and 9 grandchildren.
