

Denise Childs

Denise has been a member of Unity Village Chapel for 6 years. She is a full-time employee at Silent Unity and serves as a prayer chaplain for Unity Village Chapel and Unity Southeast. Her love of Unity has led her to volunteer with the Chapel Youth and Family Ministry and Nehemiah Retreats. She has also studied a number of Unity classes through the Spiritual Enrichment and Enlightenment program (SEE).

As a mother of two preteen sons, she and her spouse are extremely focused in supporting their development as young men. Unity teachings have served as guide posts in this process.

Denise feels she is being called to deepen her service and through her love of Unity will be “an asset to our church community” as a member of the Chapel Board of Trustees.
