Summer fun at BION Camp...

What is BION? BION is a 5 day summer camp adventure where fun, friends, learning and God come together. It's created by the Episcopal Diocese of Maine.

Where will it be? On Lake Megunticook at Camp Bishopswood in Hope, Maine, near Camden. We'll live in rustic cabins in the woods and eat in the lakeside dining hall. Between the large playing field, the Great Hall and the waterfront, we will have plenty of room to spread out for activities.

Who can come? Anyone who has completed grades 6 through 12 and who wants to have fun and learn about God while living in a Christian community. 11th and 12th graders can also apply to be on the LLS Team (Leadership, Learning and Service) which begins on Monday, the day before camp.

What are we going to do? Everything! (well, almost) You can choose activities like ultimate frisbee, duct tape wallets, kayaks, hemp & beads, monster volleyball, theatre games, badminton, cooking, group challenge games, swimming, archery, and many more. We will sing, yell, play capture the flag, have crazy contests, toast s'mores, worship, learn and just have fun. You'll meet great new people and enjoy living in cabins and sitting around campfires.

Who will be there? Lots of teenagers from all around the state and beyond. And also young adults, adults, and clergy.

How much does it cost? The price is \$240. Register before June 20 for the early price of \$215. Don't let money stop you! To find out about financial aid, email us or ask your church.

Registration is at www.maine youth.org
