How cool is that? The Vermont Student Pass also provides awesome discounts on daily or seasonal rental equipment; lift ticket, lesson and rental discounts for family; and food and retail discounts. We also offer our optional Junior Explorer Program at Pico Mountain to broaden your horizons making this is an opportunity that cannot be missed!

Pico is pleased to once again offer our Junior Explorer Program. The program meets non-holiday Sundays and participants must choose either the morning or afternoon program. Plus, Junior Explorer Program participants will be able to show off their new skills at our sister resort, Killington, with a complimentary one-day ticket valid March 1st thru the end of the season! There will also be an end of season BBQ for participants.
