SPELLING BEE INFORMATION

Each team of three people will spell as a unit – no individual will be asked to spell 'solo.'

Buzzing Round #1: All teams will be given the same three words and will have two minutes to prepare a written spelling response. Teams with two of the three words spelled correctly will proceed to Round #2.

Stinging Round #2: Teams (order previously selected by random drawing) will each have 60 seconds to spell the word presented to them. When all teams have spelled a word correctly, rotation will continue until two teams remain OR the judges determine time has expired.

Killer Bee Final Round: After intermission, teams remaining from Round #2 will compete in a written "spell-out" of 10 words. The team with the most correctly spelled words wins. If there is no clear winner, remaining teams will be given lists of an additional 5 words until a champion emerges.

Send entry to:

1012 S. 17th Street, Wilmington, NC 28401 or

Email: info@cfliteracy.org or Fax: 910-251-9095
