Facilitators – Verbum Dei Missionary Sisters

Who are the Missionary Sisters facilitating the Lenten Series?

The Verbum Dei Missionary Fraternity (VDMF) is a Roman Catholic contemplative-active Pontifically approved institute of consecrated life founded in 1963 by Rev. Jaime Bonet in Mallorca, Spain.

The mission of the VDMF is to promote the greatest dignity for all people by empowering individuals and communities to partake in the journey of Christian discipleship. This discipleship is forged in a spirituality rooted in Scripture and Catholic tradition that leads to witnessing to justice made visible through community. The VDMF is distinguished by its dedication to prayer and ministry of the Word.

Currently, four missionary sisters unfold their dedication to evangelization and empowerment of Christ's faithful by leading St. Anthony's Church's Religious Education program and supporting parishes when requested. Holding Master of Divinity degrees and having experience in parish ministry, the sisters look forward to developing the work that the Verbum Dei Missionaries began when they arrived to the Archdiocese of Los Angeles in 1998 in new and life-giving ways!
