

Office Depot and OfficeMax completed their merger on November 5th, 2013. This means the OfficeMax on Iowa Blvd. will rebrand its store to Office Depot. *The* merger will allow members of the Vicksburg-Warren County Chamber of Commerce to participate in Office Depot's "Shop Local" program, which provides *deeper discounts* on office products for small and large businesses. Once the store-level merger is completed, there will be discount cards for ALL Chamber member businesses; you will be able to use these at the Vicksburg store location. For now, this program will be based *solely through online purchases*. Let me explain further with some questions you might ask?
