The Oak and the Acorn Presents A Doll-Making Workshop

Monday & Tuesday, November 4th & 5th,

9:00-11:00 am

The Oak and the Acorn Café

Come and join us in creating a handmade 'Jingle Bay' doll, for that special little someone in your life! This soft-bodied Waldorf doll is made from 100% cotton flannel and is filled with carded sheep's wool. The hands and feet are made as part of the body, and to cap it off, he/she has a jingle bell sewn securely to his head, inside the hat, which tinkles softly when moved about. Many colors to choose from!

The class is taught by Phyllis Gilmer, a master doll maker and handwork teacher at the Waldorf School of Orange County.

Class Fee:

\$25 if pre-registered by Friday, November 1st

\$30 for drop-ins on the day of class

(The fee covers all materials and both days – This is a two-day workshop.)

Please register and pre-pay in The Oak and the Acorn Store during regular hours: Wednesdays & Fridays, 8:30-1:30.

Workshop space limited to 10 participants, so register early.

Little ones welcome to play while you work.
