## Journey School Annual Harvest Faire - November 2, 2013

Thank you for sponsoring Journey School's Harvest Faire. Each year, we host this FUNraising event to offer the general public a high quality, family-friendly festival to celebrate the bounty of the fall harvest. This year we are expecting 1500+ attendees from all over South Orange County to visit our crafting booths, build fairy houses, play old-fashioned games, shop for artisan-made gifts, and enjoy live folk music and delicious seasonal treats! As a tuition-free and donation dependent public school, we rely heavily on the generosity of our Community Partners to provide the so-called extras that are imbedded in Journey's well-rounded curriculum -- field trips, music, foreign language, theater, drawing, painting, cooking arts, handwork, woodworking, eco-literacy, social-emotional literacy, digital media literacy, and more. We are grateful for your support and hope to see you at the Faire!

### About Journey School

Journey School, the first public charter school in the Capistrano Unified School District, opened its doors on February 14, 2000. The school was started by a group of committed parents and teachers who wanted a distinct alternative using Steiner (Waldorf) based educational methods in a public school setting. Our highly-qualified and dedicated educators engage students' varied learning styles in an integrated 21st century curriculum which encourages a lifelong love of learning, critical thinking and deep, lasting knowledge. *By offering a tuition-free education*, we enable access to this program that nurtures the optimal development of the whole child -- mind, heart, and body. Journey School provides a supportive and artistic environment for academic excellence as students gain a strong sense of purpose, build creative and leadership capabilities, and grow into stewards of their earth and community.

Journey School Foundation is a 501(c) non-profit organization (Tax ID number- 33-0913720) supporting Journey School. Journey's families come from communities between Yorba Linda and Carlsbad, including:
