## TRAIL SYSTEM ACCESSIBILITY IMPROVEMENTS: AUGUST — OCTOBER, 2014

NPS Trail Crew is improving Old Mori Trail to make it easier for all park visitors to enjoy Mori Point. This project will resurface the trail, improve drainage, and reduce erosion to meet outdoor accessibility guidelines.

Work will be done in two phases on Old Mori Trail to minimize disruption to park users. Phase 1 will be from the trailhead (near Moose Lodge) to the boardwalk with a staging area near the gate. Parking and portable toilet will remain available. Phase 2 will be from the boardwalk to the seawall with a staging area at the west end of the trail by Bootlegger's Steps.

### TEMPORARY TRAIL DETOURS - FOR YOUR SAFETY

#### PHASE ONE:

Old Mori Trail will be temporarily closed from the trailhead to the boardwalk for 3-4 weeks from mid-August to late-September. Please use Upper Mori Trail during this period.

#### PHASE TWO:

Old Mori Trail will be temporarily closed from the boardwalk to the seawall for 3-4 weeks from late-September to mid-October. Please use Lishumsha and Coastal Trail during this period.

See map on reverse side.

Work will be confined to the hours of 8:00 AM to 4:00 PM, Monday through Thursday.

For your safety, each trail segment under construction will remain closed until that phase is complete.

Parking and restroom facilities will remain open throughout construction.
