Highlighting Our Members

We will begin highlighting our members beginning in the next month.

This will be done on our Facebook page and also in our newsletter.

We want to promote our members by giving you a chance to tell what your business does and/or what service you provide. This is your opportunity to give your “elevator pitch” to your fellow members.

The order published will be done according to the date the information below comes into our office.

Name of Business _____

Give us your “elevator speech” on what your business is about: _____
