

Crossroads Presbyterian Church (<http://www.crossroadspres.org>) opened its doors 52 years ago to the communities surrounding Mequon, Wisconsin, a suburban area with a rural feel just north of Milwaukee. That “open door” spirit of sharing the Good News of Jesus Christ continues today. The church is seeking a full-time Director of Children’s Ministry (DCM) who has an inherent sense of call, an excitement for presenting Christ to children and their families, and a heart overflowing with joy.

The DCM will provide leadership to all programming for children ages birth through fifth grade. This ministry includes, but is not limited to, Wednesday night and Sunday morning programs (children’s worship and Sunday school), a summer Vacation Bible School program, developmental milestones, and annual outreach/community events. The children’s ministry is strong with very engaged parents and families who have helped to shape a mission and vision for the children’s program. That mission is to partner with families in discipling children to know Christ and bring others to Him by loving one another, growing in faith and serving others. Core values include being joyful, Bible-centered, loving, engaging and welcoming. Crossroads Presbyterian Church is searching for their next leader who will work to fulfill the mission.

Qualifications include:

- A Bachelor’s degree in education or a related field
- Three to five years of experience in leading a children’s ministry in a large church setting
- Proven leadership and management skills, including the recruitment of volunteer staff
- Ability to build and lead volunteer teams
- Excellent communication skills, particularly with parents
- A strong grounding in the Christian faith, reformed theology and stories of the Bible
