

The Judgments on Babylon

Judgement on Babylon: chapters 17-18

A 10- point list of the depravity associated with destruction of Babylon.

I'll give you a list of some specifics associated with Babylon

- A world of Satanic influence
- A world of Satanic complexity
- A world of Satanic unity
- A world of Demonic destruction
- A world of demonic judgment

Now, on to chapter 18...

The picture is now slightly different. If chapter 17 portrayed the guilt associated with the abominations, then in chapter 18, it is the sensuality associated with her luxuries.

The distinction between the 2 chapters is that between 2 systems or networks that have as their center, the same geography. In chapter 17, we have in our sights, a **religious system** that operates independently of and in opposition to the true God and in chapter 18 the **economic system** that does the same.
